Description

We are organizers of international trade fair events in Slovenia with over 50 years of tradition. We organise the International fair of Agriculture and Food AGRA, the International fair of Construction, Energetics, Municipal services and Trade, International Packaging, Packing Techniques and Logistics fair INPAK, International Fair of Defense, Security, Protection and Rescue SOBRA, International Hunting and Fishing fair LOV and more. More than 2.200 exhibitors from more than 30 countries present themselves in Gornja Radgona every year and more than 1.200 products are yearly assessed by international expert commissions. The trade fairs have widespread media coverage with over 1.000 press reports in Slovenia and abroad and over 300 accredited journalists. With our unique geographical position in the immediate vicinity of three bordering countries, Austria, Croatia and Hungary, we offer an excellent opportunity for your successful presentation in a broader region.
