Bilateral Meetings

- (12.00p.m. - 4.00p.m.)

Description

Bio Nat Kft has been merchandising alternative soil strengthening products for 25 years. Our company produces and sells both Mikro-Vital és a Mikro-Vital P+ bacterium fertilizer products. Our aim is to promote environment friendly agriculture. We are currently looking for trading partners we could cooperate with along the same principles and who could help us sell our products in the market.
