Description

The Dolenjska Distillery and Chocolatier in Slovenia nestles at the foot of the ancient, forest of Kočevski Rog, the largest primeval forest in central Europe. The place of creations sits alongside natural spring waters the source of which flow beneath the canopy of ancient trees of the forest to emerge in the aquifer adjacent to the distillery and providing a distinct, rich and velvety taste to the unique Berryshka range of spirits, liqueurs and handmade artisan chocolates.
